

I'M GOING TO LANTERNHOUSE

When I arrive at the venue, it will look like this (the picture in the frame outside may be different).

When I get inside, I need to get my tickets from the box office. I will walk straight ahead, and the box office will be on my right.

I might have to wait in a queue, or the staff member at the desk might be on a call, but it won't take long.

If I want to, I can get something to eat and drink.

Next, I take my seat before the performance starts. The corridor to the main auditorium looks like this.

Once I am in the Main Auditorium, I take my seat and enjoy the performance. The inside of the room looks like this.

When the performance has ended, I will leave Lanternhouse.
